

# The Sonoma Index-Tribune

VOL. XLIV

SONOMA, SONOMA COUNTY, CAL., MARCH 18, 1922

NO. 30

## Sonoma Business Expansion Causes Much Construction

Contracts Let for Additions to Industries Which Are Growing With Our City.

As first announced in the columns of the Index-Tribune last week, the Sonoma Mission Creamery has placed an order with a big supply firm of San Francisco for a complete pasteurization plant which is to be erected here for Messrs Vella and Iacona. The building to house the new unit of the creamery will adjoin the cheese factory and a contract to build it has been entered into by C. C. Bean and A. Pinelli. With its new pasteurizing and refrigerating facilities, the Sonoma creamery will be able to handle and ship thousands of gallons of milk and cream. Mr. Vella will not only take care of the dairy produce of Sonoma Valley, but will add to his customers in the Napa valley, many Napa dairymen already signifying their intention to sell milk here where prompt checks and good treatment have given the local business concern a decided advantage over competitors. Almost adjoining the Mission Creamery is another growing industry the Old City Bakery, which announces that it will shortly double the capacity of its ovens and supply bread and cakes to the retail trade. Mr. O. Reuffi, the baker, has arranged with the owner of the property, John Decanini, to build an immense oven and otherwise improve conditions for a modern baking plant and salesroom.

### FIRST FLOOR OF MASONIC HALL TO BE UTILIZED

The first floor of the Masonic Hall one time used as a workroom for the Glove Factory, will be put in shape for use of the Lodge and converted into a banquet hall. A furnace to heat the entire building is to be installed and many other substantial improvements are contemplated. The growth of the local Lodges of Masons and Eastern Stars and their many large affairs necessitate the change and the plans for the moving of the banquet hall from the second floor will permit more comforts and conveniences throughout the building.

### POULTRY WAS THEME AT FARM CENTER MEETING

At the Sonoma Farm Center meeting this week Milo S. Baker of Kentwood was chief speaker. Mr. Baker addressed the Center on the Breeding of Baby Chicks. He gave a valuable talk from his wide experience. Messrs. Lovelace and Buster also gave good talks and at the suggestion of Buster cards to be filled in and kept by poultrymen were distributed and the Sonoma Center will have accurate data on its flocks. L. Stenquist was named by the Center to represent it on the Old Mission committee.

### IMPROVERS GAVE SUCCESSFUL MASQUERADE

The masquerade ball given last Saturday night by the Boyes Springs New Improvement Club at Union Hall was a big success socially and financially. Many beautiful and novel costumes were worn by the dancers and the judges had a hard time deciding the winners. Prizes went to Miss Louise Craib, Glen Ellen; Miss Pearl Wagner, Boyes Springs; Miss A. Caminata, Sonoma; Pat McDonnell, of the Spreckels ranch and Garry Bertoli. Among the judges were Mrs. Duffy Lewis, Miss E. Barron, Miss D. Breitenbach and Mr. Ostler.

Wilson's Jazz Orchestra furnished the music for the evening. P. Meinhardt was in charge of refreshments and Eric Blomgren was floor manager.

All who attended had a gala time.

### NATIVE SONS DEFEAT Y. M. I.

The basket ball contest between teams from the local Native Sons parlor and Council of Y. M. I. Thursday night drew out a big crowd to Union Hall. It was a spirited contest with lots of good playing on both sides. At the final stage of the game, the Native Sons carried off the honors, 30 to 28. Many former stars of the High School played on the fraternal teams.

### LOVEALL VALLEY FARMERS WANT ROAD TO NAPA

The farmers of Loveall Valley want a new road three miles long to the state highway leading to Napa. They have petitioned the Napa Supervisors to build a road through the Lawlor and DuBois ranches. Their petition is backed by the Napa merchants and Chamber of Commerce. Among the signers are Messrs Rogan, Kieth, Vigna, Blackenship, Borie, Gamble, Ligi, Larsen, Hawkins, and Burdick.

### WILL ATTEND GALLI-CURCI CONCERT TOMORROW

Mrs. H. J. Wicker, Miss Burchard and Mr. and Mrs. Walter L. Murphy will be among those attending the Galli-Curci concert tomorrow in San Francisco.

Deputy Sheriff Ryan picked up a 12 year old escape from St. Vincent's Monday night and returned him to the orphanage.

### OLD HIGH SCHOOL PROPERTY ON SALE

There appears in another column of this issue the advertisement for sale of the old high school property.

This should be an unusual opportunity for an individual or organization. The building is 50x70 feet and two stories high. The interior is in good condition. The roof likewise is in good condition. The cost of replastering the exterior and remodeling the interior will certainly cost less than one-sixth what it would cost to put up a new building. In addition one must remember that the plumbing and sewage is completely connected and that the sidewalks are already built, that it will have on the grounds two cement courts and cement foundations for subsidiary buildings if any were desired. It should prove a good attraction.

The lot is practically 300 feet square well graded and facing two streets. The architects have stated that the building if wrecked should bring in \$2000. Standing as it does on two acres of land, it certainly should be worth \$5000 as a speculation.

The athletic field on Germany St. and First street west consists of 4.5 acres which have been graded after a topographical survey that the water might drain from every part of the field in the shortest possible time. It should be an exceptionally attractive purchase for that very reason. It is offered for sale for a minimum of \$1300.

### IN HOSPITAL SEVERAL WEEKS

Mrs. R. E. Murphy and little son Leonard have been at St. Mary's hospital, San Francisco, several weeks, due to the complicated operation underwent by the boy who broke his arm some time ago. He was on the operating table three hours. The little sufferer is now improving. On account of the scarcity of nurses due to the flu in San Francisco, Mrs. Murphy was compelled to remain right at the hospital and take care of her son.

Miss Nettie McConoche one of the Sonoma Grammar School teachers, has been suffering with a severe cold and was under the care of Dr. A. M. Thomson.

Mrs. Louis Brown, who has been here from Los Angeles two weeks caring for her mother-in-law, Mrs. Thomas Brown, has returned south.

## Carnival Queen and May Day Queen to be Chosen

Boyes Springs New Improvement Club Plans Gala Time at Three-Day Carnival.

There will be two very fortunate and happy young ladies in Sonoma Valley on May Day, 1922, one the winner of the costly diamond ring to be given the queen of the Valley of the Moon May Day carnival, the other the May pole queen, who is to be presented with a handsome gold wrist watch. The carnival preparations are elaborate and will be the three red letter days on the whole year's calendar. The carnival will open at Boyes Springs April 30 and will terminate on Monday, May 1, with a regular fiesta, a beautifully decorated May pole and a May pole dance, and the day specially set apart for the ladies and children.

During the entire three days there will be games, contests and dancing. At the bath house there will be swimming and diving contests by some of the state's most beautiful mermaids. Every night at the theatre there will be dancing and of course the queen's coronation ball will be the crowning event.

The elaborate program is in the hands of the Boyes Springs New Improvement Club, which is sponsoring the big affair and intends to make the carnival an annual event in the Valley of the Moon. Next year it may be held in Sonoma and take the form of a regular Mexican fiesta and later

it may be staged at Glen Ellen in the Jack London country.

Boyes Springs is to lead off and Chief Cause and his live wire committee promise many novelties and pledge the contestants for carnival queen and May Day queen that the popularity contests for the diamond ring, and wrist watch will be conducted on strict lines of honesty and impartiality. Any lady who has resided in the Valley of the Moon for a year and any school girl can compete for the prizes. Votes are one cent each and you can get the voting tickets at all the stores or from any of the committee. The first count will be made the last of this month. Contestants mentioned so far are the Misses Hanson, Farrell, Benedetto and Pollini.

The diamond ring, which is to cost something like \$200 and the \$50 wrist watch will shortly be placed on exhibition.

The Improvement Club realizes that there is no more beautiful valley in all California for a May Day carnival than right here in Sonoma, and has decided to make this lovely spring season when the county is carpeted with wild flowers and the weather ideal, an annual occasion and one that will attract wide attention to the Valley of the Moon. Watch for further announcements.

### "IMPROVING THE STRAIN"

We would suggest that Editor Waters be given a few pointers by Aunt Rachael or somebody, on pedigree stock so that in the future he will know that sires and dams do not beget chickens.

For knowledge of natural history and unnatural history and creative genius this Sonoma scribe has few peers. His latest bull is causing a wide snuff up and down the valley.

### JOHN AMMANN TO PROBATE

BATE \$14,000 ESTATE

John Ammann of El Verano filed a petition yesterday for the probate of the holographic will of his half-brother, the late John Thahman of Wilfred, who left an estate valued at about \$14,865. The petitioner is the only heir, but the devisees are the petitioner, Mrs. Sophie Wolworth of East Cleveland, O.; Helen, Richard and Julian Jeffry, and W. A. Rice.

G. W. Hoyle and J. W. Ford represent the petitioner.

### TAX ON WINE ONE

CENT PER GALLON

One cent on a gallon will be the county tax on wine in Sonoma county, cellars, County Assessor J. C. Hoke Smith has decided.

Decision on the wine tax came after a dispute concerning sales of the through government permits and the valuation of wine in storage. The wine owners are unable to realize any profit except with proper provision by law.

Mr. and Mrs. A. Froment and family, who went down to San Francisco to see their new grand daughter, Jeanne Louis Mazouie, were entertained on Monday by Mr. and Mrs. E. Abrogast at an elaborate dinner in the metropolis.

Many more jars of gold fish have been received at the Simmons Pharmacy for distribution as premiums with the patent medicine featuring this novel advertising method.

Mrs. Florence Cutter went to Alameda last week to bring her mother, Mrs. Manuel, here to Sonoma to reside with her in one of the Sebastiani bungalows. Mrs. Manuel had been stopping with her daughter, Mrs. Perl Wilkerson since her return from Los Angeles.

Mrs. Isabel Harvey is home with her mother, convalescent from a recent illness.

## EL VERANO NEWS

By ARCHIBALD McKIVER

A. Swenson is spending the week at Salinas.

Mrs. J. Dutil is here this week from San Francisco.

Charles Danieli was a visitor in San Francisco last Saturday.

Mrs. M. F. Mullen is in San Francisco visiting with relatives and friends.

Mrs. W. Nohson has returned to Sonoma Vista after a week's visit in San Francisco.

Joe Chelini, well known San Franciscan, was here Sunday, the guest of relatives.

M. M. Yerokwitz of Sonoma Vista is in San Francisco visiting his wife who is ill there.

John Ammann went to Santa Rosa Monday evening to transact business at that place Tuesday.

Tom Partridge and son of San Francisco were visiting their pheasant farm Sunday.

Joe White, Verano's idol, fought four fast rounds with Bennie Vierra at Oakland one night last week. Vi-

erra was awarded the decision, although White, after being out of the game for several months, made a fine showing against the clever Vierra and with more training, will be in line for the best boxers of his weight.

Bert Barrickman of Oregon will arrive here about Sunday to spend several days with relatives.

Pop Parente, father of Louis Parente, is taking in the Sonoma Valley this week from San Francisco.

Herbert Daniel and wife motored over from Napa Sunday and were guests at the Chance home.

Mr. and Mrs. P. Verdier of the French Cottage have returned from a pleasure trip to San Francisco.

W. Chester, formerly of the Sonoma Valley Water Company, was here from San Francisco over Sunday.

Geo. Millerick, Schellville's crack broncho buster, was here one day last week, talking it over with the boys.

S. Boissonneau El Verano's shoe and harness maker, has moved his shop into the T. H. Baines garage building.

Henry Koerner, proprietor of the Oak Grove resort, returned from a pleasure trip to San Francisco Sunday, and while there he took in Fiddle Dee Dee, played by the fa-

mous actors, Kolb and Dill. Better than ever are these two actors, Henry says. He also took in the stock show and in all had a grand time.

Joe Danieli motored to San Francisco Sunday, taking in the beach, the Cliff house and other points of interest.

Mesdames E. H. Cliff and Freck motored to Sacramento the week end and spent Sunday the guest of relatives.

Buck Holley was a lucky one at the mask ball in Sonoma Saturday. His make up was good and our Beau Brummel carried off a prize.

Louis Parente, wife and daughter after spending the week end at the Tavern, Verano, motored to San Francisco Monday afternoon.

Mike Riddle formerly an S. P. brakeman but now a pensioner was here one day last week from Santa Rosa renewing old acquaintances.

Mr. and Mrs. Allan Gale accompanied by Dick Gale, motored to Benicia Sunday where the latter boarded a through S. P. train for Idaho.

The sad news reached here last week of the death of Henry W. Chamberlain who some 15 years ago resided here with his folks and attended high school at Sonoma when Ben Weed was principal. Chamberlain took part in the Spanish American war and also was sent to Siberia

as a sergeant in Company G, 27th Infantry in the world war. The funeral took place March 8, with a military ceremony. Chamberlain was 42 years of age and leaves a father and two brothers, who are also well known to Sonoma Valley residents.

Dick Gale, brother of Station Agent Gale of El Verano, left for Idaho Sunday morning after spending several weeks visiting and enjoying Sonoma Valley's beautiful climate.

A large crowd of El Verano young folks will attend the St. Patrick dance given at Union Hall Saturday evening by the Y. M. I. for the benefit of the athletic fund. Fine music will be featured.

A number of our society chaps were around Sunday morning denouncing the cloak room system used at the Boyes Springs Improvement Club dance Saturday night at Sonoma. Many of their new skimmers were exchanged for worse ones and one of our local bloods came home without his overcoat, and got a half gallon hat in exchange for his new spring derby.

Among the baseball fans from El Verano noticeable at the ball game at Santa Rosa Sunday were Emmet Mullen, Louis Kearney, Louis Lamotte, Ed Dowdall, Dave Forni, Norman Baines, Tom Mullen, Bill Bomhoff, and John Dowdall, while Lawyer Frank Sprague representing the old town of Sonoma occupied a reserved seat. All the boys smoked 15 cent cigars and seemed to enjoy the music and game.

All roads will lead to the Boyes Springs ball park Sunday when the Robebuds of Santa Rosa will cross bats with the Seals. Over 2500 people assembled at the Santa Rosa ball park last Sunday to witness the game between these two teams. Santa Rosa got off to a bad start with the Seals but promise to reverse the decision this coming Sunday at the Springs ball park, and it goes without doubt that the visiting team will bring along a large crowd from Santa Rosa to watch their boys perform against the Seals for the second time. The game is to be called at 2:30 p.m.

### LEO WEINBERGER ANSWERS DEATH SUMMONS

Leo Weinberger, prominent theatrical man who settled in Sonoma Valley some years ago for the benefit of his health passed away Monday in Arizona where he had been living for some time past.

Weinberger and his pretty wife and children bought a chicken ranch near Vineburg and for a time the change seemed to be very beneficial to him. He subsequently went back into business in San Francisco only again to return because of failing health.

Some time ago his condition not being satisfactory, he sold his property and moved away.

At various times Weinberger was connected with big enterprises in San Francisco, both vaudeville and moving pictures. He was a clever business man and one of the fastest ticket sellers on the coast. He was one time manager under Grauman of the old Empress Theatre and was also identified with the Strand and the original Alhambra theatre.

During their residence in Sonoma Valley the Weinbergers made many warm friends. Sincere sympathy will be extended the widow who was at all times so devoted to the care of her husband and to the two pretty little girls left to mourn the deceased.

### SONOMA VALLEY IMPROVEERS TO HOLD ELECTION

Nomination of officers of the Sonoma Valley Improvement Club took place Tuesday evening. Nominations were as follows: President, Peter Spitzfadden, Mr. Waite and Jack Muller; Vice President, N. Peterson; Mrs. Hansen and Jean Cazes; Secretary, Al Cope, Mrs. Lillian Campbell and E. G. Perkins; Treasurer, M. Y. Hansen, Miss E. Ryus, Miss L. Howard and E. G. Perkins. The election will be held Tuesday evening, March 28th at Fetters Hall.

### SUMMER EXCURSION RATES

Summer Excursion Fares become effective this year April 28th. California lines adopted the fares in effect 1920 prior to August 26. This will eliminate 20 per cent increase of that date between San Francisco and Sonoma. Daily round trip fares with 3 months limit, \$2.20. 15 day tickets sold Saturday and Sunday, \$1.80. This makes a substantial reduction over 1921.

### SAYS HUSBAND CALLED HER A CANNIBAL

Mr. and Mrs. John Landy are airing their domestic difficulties in the Alameda county divorce court. Landy, a prominent dredger captain of the San Joaquin is well known here having made his start in the Wingo sloughs with the Pacific Land Company on their derdier Nevada. Landy was married in 1912 but it appears from the complaint on file in Oakland that all has not been happiness.

Mrs. Landy says her husband called her a cannibal once while she was enjoying a good meal and also criticized her home town Los Angeles. She objects to living in a shack on the marshes near the dredgerman's work. She therefore prays for a divorce.

Landy's matrimonial experience is reputed to have cost him considerable money. There are no children.

### JUDGE SEAWELL CANDIDATE FOR SUPREME COURT

Sonoma Valley friends of Judge Emmet Seawell from the tules to the Hood mountain were interested in the announcement made last week that he would be a candidate for the state supreme court at the coming election. Judge Seawell is a frequent visitor here, where he is greatly admired for his judicial record and his gift as an orator.

Judge Seawell has come out for a place on the supreme bench despite the efforts of certain interests to shut out all independent candidates. His statement announcing his candidacy is as follows:

"I am a candidate for a place on the supreme court of this state. In due time I shall make a statement of my position. This announcement is made thus early because of preconcerted action on the part of certain interests to commit the members of the bar of this state to the re-election of a majority of the present members of the supreme court by securing pre-election pledges. This method adopted by which it is hoped to discourage opposition candidacies will be fully exploited before the arrival of the August primaries. The fight will be carried to the people, themselves, who ought to have an opportunity to express themselves on the important matter of selecting a judiciary, in whose final decrees the people are the real parties in interest."

### TAXES IN 38 COUNTIES HIGHER THAN SONOMA

The average cost to each resident in Sonoma county will be \$39.83 in taxes for the year 1921-1922, according to a statement to the Index-Tribune by State Controller Ray L. Riley, whose department has been busy for some time compiling data on tax burdens. Sonoma county's total tax bill for the year 1921-22 amounts to \$2,104,277.18. Estimating the population to be 52,830, the per capita cost is thus \$39.83.

According to Riley, the tax levy includes the general county levy of \$1,491,753.52 and a special and district county levy of \$370,023.77. The balance is made up of taxes for the city of Cloverdale, amounting to \$7,236.28; Healdsburg, \$20,343.62; Petaluma, \$95,778.51; Santa Rosa, \$92,034.43; Sebastopol, \$12,949.44; Sonoma, \$14,151.61.

These amounts, according to Controller Riley, will be augmented by certain other receipts from different county sources and from moneys distributed to the different political subdivisions by the state, such as school moneys, at the rate of \$30 per pupil, and motor vehicle moneys collected in the county, one-half of which is returned for use on highways.

Thirty-eight counties in the state will pay a higher per capita tax this year, while 13 will pay a lower tax.

The lowest average in the State is held by Solano county, with an average cost of \$27.45, while the highest is Del Norte with an average of \$76.69.

### MARRIAGE OF FORMER SONOMA GIRL

Friends of the Nessi family formerly residing here but now residents of Oakland were pleased to hear of the marriage of Miss Irene Nessi, which took place two weeks ago. The young lady married one of the brave fire laddies of the east bay city. The young couple will be wished every happiness by Sonoma friends.

### OFFER \$75 A TON FOR GRAPES

The grape growers of the Cloverdale section can now contract their grape crop for 1922. \$75 a ton has been offered for Zinfadels in the Cloverdale section, with no takers. Richard P. Hall, representing the Pioneer Fruit Co., has offered growers this price.

### DROPPED DEAD AT ELDRIDGE

Coroner F. H. Phillips was called to Eldridge last Friday to hold an inquest on the remains of a Japanese lad who dropped dead at the institution Friday noon. Death was due to heart trouble.

### SEALS DEFEAT ROSEBUDS; RETURN GAME TOMORROW

San Francisco's slaughtering Seals went on a batting rampage and cleaned up on the Santa Rosa Rosebuds to the tune of 13 to 1. The San Francisco lineup landed on Southpay Walter Schmid and gave the crowd of over 2000 fans a hitting repartee.

Nothing but the automobile in the left field and the ground rules helped keep the score so "low." Even then Kamm would not take into consideration the fence in right field during the fifth inning. He landed on one of Schmid's deliveries for a home run.

Indications in the opening innings of the game were that the Rosebuds might give the Seals a contested game. Every inning after the fourth spelled disaster for the Rosebuds. The score stood 2 to 0 in favor of the Seals at the end of the fourth. Five more were tallied in the fifth, two more in the seventh and finally the Seals wound up by putting four runs across the plate in the ninth. The Seals netted 21 hits while Gillenwater let the locals have four hits in which one run was squeezed over the plate.

Yelle led the Seals hitters by getting five hits in as many trips to the plate. Ellison got three hits in three times up. O'Connell was let down with one hit in four times to bat. He was given a base on balls in the ninth and was hit by a pitched ball in the eighth.

Hits for the Rosebuds were credited to Shannahan who came through with a double in the first inning; Tammy Smith, Mart Gemetti and Evans. The Rosebud's tally came in the seventh when George Maroni was passed, reaching second on a passed ball, and scored when Evans popped one over third base. John Maroni managed to steal a base in the fourth.

"We'll do better next Sunday against them," Manager O'Connell stated. "We will have more practice and I believe it will be a regular battle at Boyes Springs.—Santa Rosa Republican.

### DANCE AT MERVYN

#### HOTEL TONIGHT

The popularity of the dances inaugurated at the Mervyn, Glen Ellen, at the initial dance, is to be repeated tonight, judging by the number who are to attend and trip the light fantastic to the Steamer Harvard's orchestra.

Mr. and Mrs. H. G. Buck extend a hearty invitation to all to participate and enjoy the good music and the eats at midnight.

### WHO KNOWS HARRY B. DAVIS

The following letter of inquiry from New York has been received addressed to the Chief of Police of Sonoma:

New York, March 5, 1922

"Chief of Police,  
"Dear Sir:—Kindly publish in your paper for information in regard to Harry Beam Davis. He was interested in lumber, mining and also played violin. Members of his family will appreciate anything in regard to him.

"Thanking you for anything you may do for me in regard to this matter, I am,

"Yours truly,

"Mrs. Florence B. Davis,

"Room 744, Hotel Albert,

"E. 11th St., New York."

#### NOTICE TO THE PUBLIC

We wish to announce that—We Thomas Harris & Co., have taken in charge the Shoe Repairing Department of the Sonoma Valley Shoe Store. We will be ready to do first class work on next Monday, March 20. We promise to give you up-to-date Shoe Repairing at San Francisco prices. Our motto will be, if not satisfied, the money will be refunded.

All we ask is to give us a trial and we will be sure of having your future patronage.

Thomas Harris & Co.

### Seawell's Candidacy for State Supreme Court

IT is a pleasure to commend the candidacy of Judge Emmett Seawell of our own Sonoma County for the State Supreme Court. For twenty years he has presided in the Superior Court at Santa Rosa and has proven himself a jurist of whom America may well be proud. It is men such as Judge Seawell who inspire confidence and restore faith when at times law and justice seem strangely at variance. It is men such as Judge Seawell who justify the human note in legal procedure and who demonstrate that justice is compatible with legal interpretation. A lawyer and jurist of rich experience, Judge Seawell will bring to the Supreme bench of California an enviable record, not only as revealed by the few reversals wherever he has rendered decisions, but proven by the handsome vote accorded him again and again as he was returned to office during the past twenty-five years in Sonoma County. What finer compliment, for during that time in some way he had intimately touched the lives of the people and demonstrated to them, perhaps as they sat as jurors or were themselves plaintiff or defendant or witness, just what manner of man he was, just what his conception was of the exalted position he filled. It was the people's deduction which accounted for the flattering vote which has perpetuated him in office. He found no need for campaigning, no advertised catch phrases about his record, no fixing of political fences during pre-election days. It was enough that he would be willing to preside again. Work in the Juvenile Court alone has been sufficient to commend Judge Seawell. Sonoma County will give up its distinguished jurist with reluctance but realizes that a man of his training and capacity is fitted for a larger sphere. The many will profit by our loss. When one stops to think that the court of highest appeal means so much more than the lower courts because it is a tribunal for the final determination of rights, all Sonoma County should rejoice that we can offer to the people at large a man such as Judge Seawell. With his larger vision he may set right what men of smaller calibre or limited vision or warped judgment may have held to be an opinion absolute. If, on the other hand, the Supreme Court hands down a decision in which Judge Seawell concurs it will be that much more of a compliment to those who have in the lower courts rendered their findings.

The people up and down the State will commend this straight forward Californian for denouncing the political frame-up by which it was hoped to continue the present Supreme Court judges in office. Writing letters to lawyers asking their support of such a program is an insult to the intelligent electors of this State who want the right to seat men they deem best suited to high office, particularly when such men as Judge Seawell are available. If the jurists now holding office have done their full duty and proven their fitness and capacity on the bench, they need not fear. Present tactics, however, have set voters to thinking that those now entrenched must either resort to this expedient or run chances on being relegated to obscurity.

In all events, Judge Seawell is to submit his name at the August primaries and the people will have the opportunity of voting for as fine a type of man as has ever sought preferment. It is not the honor that will

come to him that matters, as splendid a reward as that would be, but the honor that will redound to our highest State court in having Judge Emmett Seawell a supreme magistrate.

### Young Men Repudiate the Dry Regime

PROHIBITION jobs, at least in California, are quite evidently not for young men with faith in our institutions, admiration for our laws and confidence in their fellow men. These plums are for cynics, hypocrites or those who have come to the end of the trail, either politically or philosophically. Within the past few weeks we have heard the exhortation of Volsteadism by Nelson G. Welburn, a young man formerly in the revenue department of the government, and have witnessed the resignation of Samuel Shortridge, Jr., as legal adviser of the prohibition headquarters in San Francisco. Both these young men just entering upon their careers had the experience of meeting Volsteadism at close range and they promptly had enough of it. Not only were they disgusted with its workings but openly declare prohibition a failure and worse in California. What the young men admit to be the case here is equally true all over the United States and it is becoming more pronounced with the farcical entrance of states like New Jersey in the dry column.

Welburn, well known to the writer as an intrepid young man, red of hair, fiery of ardor, with pride in the government and its achievements, went into the revenue service with the greatest enthusiasm. He participated in several spectacular seizures and probably believed the new laws born of the Eighteenth Amendment were to be the panacea for many ills. His early disillusionment and his frank story, as told at the Commercial Club in Oakland recently should indeed open the eyes of the public. Welburn declares that the demijohn has supplanted the family album in American homes since prohibition went into effect.

Samuel Shortridge, Jr., in resigning, acknowledged prohibition to be a failure and frankly advocates light wines and beer as a means of controlling the strong drink traffic now so alarmingly entrenched throughout the country. The notorious practices of those supposed to control bootlegging in California were plainly distasteful to the young Mr. Shortridge.

The rejection of the prohibition program by these young men prominent in public life tells more than words the fast-coming collapse of the millenium promised by impractical, hysterical prohibitionists.

FOREST MITCHELL has been supplanted as prohibition director and now wants to be transplanted to Congress. We believe the First District will plant him, all right.

THERE has been plenty of murders where a solution was a lot more important than in the Taylor case, but they faded off the front page of papers in no time. Evidently the life of a moving picture director is the most important and precious on this mundane sphere. The Taylor-made editions are a bore.

SEVENTY-FIVE DOLLARS per ton already offered for the grape crop of 1922. Old Omar was right—the "jocund grape" describes it perfectly.

### BUSINESS MEN ORDER BOOKLETS PRINTED AND DO OTHER BUSINESS

At the last regular meeting of the Sonoma Business Men's Association several important matters were considered, among them the preparing of booklets to advertise the advantages of Sonoma City and surroundings, and the appointment of a committee to get signatures on the gas service station question that the proposal might be put on the ballot at the coming election.

It was decided to have 3000 booklets printed containing illustrations of the leading industries, public buildings, land marks, and new residence section of Sonoma. Half tones for the booklets, made from special photographs taken by Payne Bros. of Boyes Springs are being prepared.

The matter of a Junior College for Sonoma county was up for discussion and the matter referred to a committee of one, W. W. Carter, to further investigate.

The California Development Board sent the name of a prospective home seeker to the Association.

The proposal to finance summer concerts as suggested by E. G. Perkins was not endorsed, as the Association felt the money could be put to better use right now when many pro-

jects are pressing for aid. A committee, Chas. LaTorres, John Mohr and E. S. Bancroft was named to circulate a petition among registered voters, asking that the service station question be submitted to the people by the trustees at the election on April 10th. The idea prevailed that public sentiment should thus be permitted to go on record.

### MORE YOUNG NATIVES FOR SONOMA PARLOR

At the regular meeting of Sonoma Parlor Native Sons of the Golden West last week there were nine new candidates initiated, the occasion being celebrated by the Parlor with a chicken banquet and social time. J. E. Prestwood was the flowery orator of the evening and his fine talk inspired the incoming members with all the ideals of the Order and brought a glow of pride to the young men affiliating with California's flourishing organization.

Among the initiates were H. and D. Stockwell, F. Bosch, H. Smith, Johnson, Potter, O. Dresel, and Tom Palmer.

The Castagnet cottage on Spain street has been rented by D. McIntosh for his prospective bride, Miss Rose Caminata.

### WIDOW OF WAR BECOMES A BRIDE

Carl V. Anderson of Penngrove and Mrs. Johanna M. Muterlein of this city, were quietly married Wednesday in Santa Rosa. The couple made the trip to the county seat in one of Dave Stackhouse's taxicabs. Just the immediate relatives were present. A dinner was served after the ceremony.

Mr. Anderson is a rancher of the Penngrove district and brother of Erick Anderson.

The bride came here from Germany a few months ago. Her mother and an aunt, Mrs. D. L. Randolph reside at Sonoma. The bride lost her father two brothers and her former husband during the war.

After a wedding trip the couple will reside near Penngrove—Pet. Courier.

### WORK TO START WITHIN SIXTY DAYS

Frank McNamara chairman of the Highway Committee of the Santa Rosa Chamber of Commerce announces definitely that work on the Santa Rosa-Schellville state highway will start within 60 days. The highway will be 18 feet wide with a four inch curbing.

### VINEBURG NEWS

Louis Martin transacted business at the county seat on Monday.

St. Patrick's Day greetings to Archie McKiver. More power to ye, Archie!

Mrs. Adolph Rubke and children departed last Tuesday to visit her parents in Texas.

Mrs. August Figone and young daughters of San Francisco were the week end guests of Mr. and Mrs. J. Batto.

Fred Batto, accompanied by his daughter, Miss Emily, combined business with pleasure in the metropolis on last Thursday.

George Weltskill of the Earl Fruit Co. was a visitor here on Wednesday last and was trying to locate a suitable site for a packing house at this place.

Frank Rhode of Bella Vista is setting out a fine new vineyard and goes around his work singing, "There's a good time coming and it's almost here." Right you are, Frank.

The Sonoma Valley Apple Growers Association held an important meeting at Martin's pavilion on Monday evening. Plans for a busy packing season are being made by the Association and many improvements will be added to their packing house.

Mrs. Albert Groskopf, Jr., tendered a reception on last Wednesday afternoon to Mrs. Emil Andrieux prior to her departure to the Summit. The pretty little home of the charming young hostess was nicely decorated and about 20 ladies enjoyed a pleasant afternoon. After a dainty repast all departed with best wishes to Mrs. Andrieux.

A pleasant reception was held on last Tuesday afternoon at the cozy residence of Mr. and Mrs. Theodore Anthracan on the Napa road. The guest of honor was Mrs. Emil Andrieux, nee Josie Steiner, of Summit, Placer county, who has been the guest of friends and relatives in Sonoma Valley for several weeks. The dining room was handsomely decorated in pink, blue and white colors, and the refreshments were an epicurean dream. About 15 were present and all report a very pleasant afternoon.

It will be with pleasure that the legion of friends of Doctor E. Z. Hennessey, one of our best known and most highly esteemed physicians of Napa and Sonoma learn he is rapidly improving from his late operation which was made necessary by his faithful attention to his many patients during the flu epidemic. Dr. Hennessey has the confidence of hundreds of people in Sonoma Valley and all hope to see the genial doctor up and around again just the same as in the good old days 30 years ago. Although so far distant his Vineburg and Sonoma friends are kept informed of his progress toward improvement.

# LANDMARKS AND SERVICE STATION

Mr. W. L. Murphy,  
Sonoma Index-Tribune,  
Sonoma, Calif.

Dear Sir:—

If you can spare a little space in your valuable paper, I would like to contradict some false statements attributed to our citizens in the proposed service station question. I have reference to a card, written by one of our old citizens. It reads as follows: "We are continually bragging about our historic landmarks. A petition is being circulated to call an election which will announce to the People of California, by the People of Sonoma City, what regard they have or what they care, if anything, for California historical landmarks situated in Sonoma City." No signature. But, dear reader, you know who wrote it as well as I do.

Now I wish to call the attention of the writer of this card, who would like to start a propaganda to poison the minds of the people, that his intimations are not according to facts as the following will prove.

The Sonoma Valley Women's Club, an organization of real live citizens, started to improve this historic Plaza a good many years ago, but the plaza being too big, the efforts of those good people have made but little showing, however, some of their work is still in existence. The Women's Club have taken steps to have the old Mission kept open. It has solicited the aid of the State and obtained it to a certain extent. They have the support and cooperation of the various civic and fraternal organizations in their landmark work. Dear reader does this go to prove that the people of the City of Sonoma have a disregard for their historical landmarks? I willingly trust your judgment.

The Sonoma Business Men's Association last summer started a movement to clean up and beautify the plaza, took up subscriptions and the usual progressive citizens donated liberally, but the other element either refused or donated so little that they were ashamed to sign their name to it, and told the solicitor to not put any name down. Anyone that would dispute this statement may be convinced. I still have the list.

The Association employed several men for several days to clean up the grass and rubbish in the plaza to make it look a little better. Around the library building, we found it required filling in before we could put in the lawn. We then contracted to have the soil hauled in and it cost over \$200. We were then ready to put in the lawn, but found that there was not sufficient water. A committee appeared before the Board of Trustees and drew this to their attention. I believe that they are now working on this water supply system.

Now, dear reader, does all that sound like the people of Sonoma do not care for the historical landmarks? Judge for yourselves. We are living in a progressive time and we must march with it if we wish to get anywhere. Had the people of Sonoma been of the same idea and sentiment of the writer of the card, Sonoma today would be without sewer, fire engine, Grammar School building etc. which we are so proud of, without the beautiful new streets which have changed the face of our city, without a new High School, which will be one

of the greatest assets this community has ever had. There are many other improvements which we have made that were opposed by the writer of the card and the few others influenced by him. I say few, because they are few.

Now for a few words on the gasoline service station. According to what I have been told, this service station would fill a long felt want in our city which we could not possibly give the public heretofore. It is the intention of the company to put in a public rest room that includes a lavatory which would be well kept and would be a great accommodation to the traveling public and to humanity. This building, if ever built, would be a credit, not only to the surrounding business houses but also an improvement on that corner of the plaza. It would be an asset to the city, only a blind person cannot see that. Just think, the company would put up its own building, beautifying that corner of the plaza and pay to the city \$100 a month. Could we get anything better than this, if so, let us see it. They argue that it is not legal and it cannot be done, but why they take the trouble of looking up old law books for some obstruction instead of trying to help this thing along is beyond me. It is not for the benefit of any individual, but for the good of all the people. Come on, brothers, let us get together for once, it will not hurt you to do so. Roosevelt said, "a man is a fool that does not change his mind" and I think so also, in fact I could never class these people as fools, on the contrary I think that they are bright and brainy people, but they unfortunately apply their brains and energies in the wrong direction. Let us hope that we may some day have harmony.

Yours for facts  
Chas. LaTorres.

## PLANS BEING MADE TO

### INCREASE MEMBERSHIP

Plans for the rapid expansion of the membership of the Sonoma County Charter League were made at a meeting of the Executive Committee of the organization in the offices of the Santa Rosa Chamber of Commerce on Tuesday afternoon. These plans will be presented to the main organization at its important meeting scheduled for 2 o'clock Tuesday, March 21, at the Petaluma Chamber of Commerce offices, to which any one interested in the movement for a more efficient form of county government is cordially invited to attend.

Presiding at Tuesday's meeting, J. P. McDonnell of Sebastopol said that the growing interest in the county wide movement was most encouraging to the executive committeemen and others who have been interesting themselves since its initial meeting at Sebastopol on Feb. 1.

One committee of the organization appointed to interview the Board of Supervisors reported having filed the formal petition to the county's legislative body on Tuesday, requesting it to call a special election for the purpose of electing a board of freeholders who will be instructed to draft a modern county charter providing for county home rule and the modernization and simplification of the laws that control the functions and business of Sonoma County.

This movement for a modern county charter for Sonoma County is in line with similar activities in more than a dozen other counties in California under way at present aiming at the same general mark of efficiency in county government. Such counties as Los Angeles, Tehama, Butte and San Bernardino already operating under county charters are working toward slight amendments to their basic laws, and Sonoma, Sacramento and several other representative counties having started preliminary work in the drafting of county charters, all aiming toward the culmination of their several campaigns to a time when a special session of the legislature can be called late this year and ratify the new documents to be presented. Notices will be sent out to practically every organization in Sonoma County, to every individual member of the Chambers of Commerce in Santa Rosa, Petaluma, Sonoma, Sebastopol, Cloverdale, Healdsburg, Guerneville, Cotati, as well as to all Farm Bureau Centers, County Grange Centers and school board trustees and others who are known to be interested in a more modern system of handling the business of Sonoma County.

## GUIDE FOR AUTOMOBILE

### CAMPERS IN CALIFORNIA

From a study of the recreation travel within and adjacent to the National Forests of California, the Forest Service has found that fully 80 per cent of those who travel by auto are prepared to camp. Appreciating the importance to this large camping public of reliable data on improved camping places, the Forest Service has had prepared a guide for automobile campers in California.

According to District Forester Paul G. Redington, this guide will contain a short description of all the improved public camps on the National forests in California and a list of practically all the cities and towns in California and western Nevada that maintain public automobile camp grounds.

This season, stated Redington, camp fire permits will be required on all the National forests in California and the guide, in addition to other information of value to campers, will contain a word of caution regarding forest fires, and a complete list of Forest officers, automobile club agencies and municipal and civic organizations that will issue free camp fire permits during the season of 1922.

This guide will be available for distribution after May 1 at all Forest offices, automobile club agencies and automobile camps listed in the booklet. The Forest Service hopes that this guide will prove to be popular with the camping public.

## TRAGEDY SET TO ALPHABET

Purporting to Be the Full, True, and Authentic Account of an Amateur's Round of Golf.

A is the Amateur, golfing with glee.  
B is the Bunker he reached from the tee;  
C is the Caddie, unmoved, solemn-faced,  
D is the Divot said caddie replaced;  
E is the Eye that he took from the ball,  
F is his Failure to hit it at all.  
G is the Green, close before him at last,  
H is the Hazard that has to be passed.  
I is the Iron with delicate blade,  
J is the Jump-shot that player essayed;  
K is the Kiek that ran right to the trap,  
L is the Language that splattered the map;  
M is the Mashie he wanted to use,  
N is the Niblick Fate forced him to choose.  
O is the Out, after swipe, sweat and swear;  
P is the Putter and also the Prayer;  
Q is the Quail as he looks at the line,  
R is the Roll, of a fiendish design;  
S is the Silence, the Stance and the Sway,  
T is the Tap—and the ball's on its way;  
U is the Urge of mind, body and soul,  
V is for Victory! Straight for the hole!  
W's the Wormcast that lurked out of sight  
X stands for things far too frightful to write;  
Y is the Yew-tree that mourns o'er his tomb;  
Z is for Zion—we hope he found room.  
—F. Gregory Hartwick in Judge.

## SAT THREE WEEKS IN COLD

Remarkable Action of Two Canadian Land Seekers Determined to Be First in the Line.

Three weeks of patiently sitting in the bitter cold of Calgary, Canada, was the trying experience of two land seekers who were determined to be the first to register for the valuable oil lands recently thrown open by the government. The usual custom of the land office is "first come—first served," hence the desire to head the long line, which always forms on an occasion of this kind, in order to get the choice of the land. The two men who sat exposed to the elements for nearly a month, were adequately provided with blankets, robes, and even specially prepared booths. The booths were light boxes with a covering of heavy canvas, much resembling a portable steam-bath outfit. Inside of the booth was a chair, with a lighted lantern underneath, the heat from which kept the men from freezing while they slept in their seats.—Popular Mechanics Magazine.

## WILSON'S TO GIVE

### HARD TIMES DANCE

Next Saturday night at Fettes pavilion Wilson's Serenaders will give a hard times party at which the ladies are requested to don aprons and their gentlemen escorts overalls. Mr. Wilson of Wilson's Jazz Orchestra has engaged Fettes pavilion on account of its commodious comfort and good floor, and plans several mid-season parties there.

## BOY HAS QUEER AFFLICTION

Case of Hungarian Youngster Has Attracted the Attention of Spiritualists Everywhere.

Spiritualist circles in Hungary and elsewhere are reported to be greatly excited over the mysterious agencies which are apparently at work on a thirteen-year-old peasant boy, the son of a scavenger in the country town of Kecskest. Since his earliest youth his simple family have been frightened to see the furniture moving when he was in the room and to hear whispers from empty corners. Since he passed his twelfth birthday these uncanny happenings are said to have taken a more serious aspect. Mysterious fires broke out in the house where he lived. The local authorities, after investigations, put down the cause of these fires to evaporations of naphtha in the soil. The superstitious villagers, however, were not satisfied, and John and his mother were obliged to leave the town and go to Budapest. There events repeated themselves. At night flames flickered on the bed where the boy slept with his cheeks burning in fever, and singed the pillows. Very soon no house in Budapest was willing to harbor the dangerous tenant, who seemed unconsciously to bring invisible and unwelcome guests. John is now in the house of a prominent Hungarian spiritualist, who hopes to solve the riddle and who claims to have discovered a new and brilliant medium for seances.

## SHE WAS NOT A BRIDESMAID

Unfortunate Incident Also Marked the Permanent End of These Two Girls' Friendship.

"Oh, Grace, I was just coming along to see you! I want to know if you'll be my bridesmaid?"  
"Oh, how lovely! Of course I will! What do you think I had better wear? What about a soft—but let's walk down here and talk it over. There's that idiotic little bore, Harry Tompkins, coming along, and I believe he's seen us. We don't want to talk about the great news to him. He's such a hopeless idiot!"  
"I'm sorry," replied Maud, "but he's the man I'm going to marry!"

Incident Cured Him.  
I first suffered qualms of the heart during my grammar-school days. The cause was a dark-haired miss who sat about three rows from me. One day, during recess, when I was all alone in the room, I endeavoring to do something to please the maiden, took some flowers that were on the teacher's table and arranged them in the form of a large heart on the girl's desk. I still don't know what made me do it, but at any rate the teacher came in just as I was putting on the finishing touches. When the rest of the class came in she said, "I want you all to take a look at the artistic heart Archie has so artfully made on Irene's desk." Let me tell you that my love-sickness ended then and there. —Casper Journal.

## MANY FAIRS TO BE HELD IN 1922

Commercial Exhibitions Spring-  
ing to Life After Discourage-  
ment of War Years.  
**FAIRS THAT GO TO PEOPLE**

Future May See Fair Established in  
Ark of Air Capable of Carrying  
Message of Progress and Cul-  
ture to Remote Places.

Washington.—"From Winnipeg to Rio de Janeiro, and from Christiania and Algiers to Singapore and Tokyo, commercial fairs and exhibitions are springing to life after the discouragement of war years, and are playing an increasingly important part in making nations acquainted with each other and with the kinds of lives each leads," says a bulletin from the Washington headquarters of the National Geographic society. The bulletin points out that a greater number of such expositions is scheduled for 1922 than those held in pre-war days in a decade.

"Fairs have been important factors in the lives of nations and in the evolution of society itself," continues the bulletin. "But in order to survive they have had to go through some vital changes. They probably started in the dim days of prehistoric Asia as sort of irregular markets held at relatively long intervals; and during the Middle Ages when transportation was difficult they were the chief agencies of European trade."

A Few Old Types Survive.  
"Where conditions have remained relatively primitive the famous old fairs have continued to function until today. The annual fair at Nizhni Novgorod continued largely to dominate the commercial life of Russia until the revolution, and even since then the distribution of foodstuffs, textiles and furs through this old gathering place of traders has been an important item. For centuries it has been the gigantic exchange counter between vast areas of Asia and Europe."

"In the portions of the world well developed with highways, canals, railways and ocean ports, both the local and international fairs of the old type, devoted largely to the distribution of staple supplies, died out. But the fair idea lived on, merely changing its form. Special industries and groups of industries began holding expositions in England and France, and the idea spread to other countries."

"Before a great while these localized and restricted exhibits expanded to include many industries, those of foreign lands as well as their own. Soon came the full-fledged world's fairs, the first of which was held in London in 1851. Many have been held since, both in America and Europe, Paris holding the palm for numbers."

"But at the root of the world fairs or international expositions was the idea of general education, and closely connected with it was the amusement aspect. They served well as occasional more or less sugar-coated demonstrations of the progress of the world, but they failed to measure up to the efficiency standards of the modern distributor. Side by side with them had grown up special international industrial exhibits and sample fairs, and by the outbreak of the World war these had been forged into modern agencies meeting Twentieth century conditions. Now that all nations are girding themselves for an after-the-war scramble for trade such fairs are being held on all sides."

"Samples of almost every conceivable manufactured product and machine are sent to some of these exhibits, duty free, and orders are solicited from the buyers who gather from various countries. Among the fairs of this sort which have become established institutions are those held in London, Birmingham, Bordeaux, Lyons, Brussels, Dresden, Leipzig, Prague, Barcelona and Milan; and in dozens of other cities it is planned to hold such exhibits annually."

Fairs That Go to the People.  
"In meeting modern conditions not only have fairs been placed on a sample basis and confined largely to specialties, machines and manufactured articles, but they are seeking out still more efficient methods of reaching larger numbers of potential buyers. Italian manufacturers have adopted the floating fair, fitting out a special exhibit ship which anchors for a time in the various ports around the rim of the Mediterranean from Port Said to Marseilles. French distributors carried the idea of a traveling fair still further last year, sending an exhibit train across Canada; and a Czechoslovak train of a similar sort has just finished a two months' tour through the Balkans and Poland. Perhaps it is not too extravagant a vision to see the fair which had its humble beginning in some far off Asiatic oasis, established in an ark of the air and capable of carrying its message of progress and foreign culture to every little center of industry and life."

Saved by Holding Dog's Tail.  
Fresno, Cal.—Floyd Johnson and Altan Self, both sixteen, lost in a blizzard in the mountains, thirty miles east of here, were led to safety by holding to the tail of a dog. It was learned today. A short time later a rescue party found two other boys, lost in the same blinding storm, lying in the snow exhausted.

## JOSEPH MASCIORINI DIED AT LANE HOSPITAL

Joseph Masciorini, one of the prominent ranchers of the Lakeville section, died last Friday night at 9:30 at the Lane hospital, San Francisco where he had a few days ago submitted to an operation. Members of his family were with him when the end came.

The death will occasion sincere sorrow among his friends in this valley. Joseph Masciorini was born in Lavertoso, Ticini Switzerland, on March 17, 1851. He left his native land for New York City Feb. 13, 1872, and from that city came by trail to San Francisco, arriving on March 17 near Sears Point. He leased a large ranch of 1000 acres from the Mecham estate, at present conducted by his sons. A few years ago he bought the J. D. Ellis place on the Lakeville road, where he had resided up to the time of his death.

In San Francisco Nov. 21, 1882, he was married to Miss Josephine Bonnetti, who survives him with their children: Henry T, who resided at the Sears Point ranch; Lydia Masciorini, Lily DeCarli, Alma Caporgna, Amelia Altenreuther, Florence Petersen, Mary and George Masciorini. There are several grand children.

The late Mr. Masciorini was held in the highest regard by his friends. He was an honorable and upright citizen. Although most of his life had been devoted to ranching, he was not unmindful of the need of recreation and when he resided at Sears Point, large parties of hunters were entertained. The ranch was a stopping place for his friends.

The deceased was a member of the Druids Lodge.

While conducting the Sears Point ranch Mr. Masciorini made frequent trips here where he did much of his trading. Of late years he came from his Lakeville home now and then to call on old friends, among them S. Cuicci. Mr. Masciorini was a kind, genial man and his memory will ever be revered by those who knew the prominent Swiss dairyman during his residence in Sonoma Valley.

The funeral took place in Petaluma.

His six nephews, the Martinelli brothers of Lakeville, acted as pallbearers.

## AN OLD LAND-

### MARK DISAPPEARS

The old Monahan homestead, built in 1855, was dismantled this week to make room for the modern four-room bungalow being built on the site by Mr. and Mrs. Tom Monahan. The old structure was built of mas-

sive hand hewn timbers, many of them mortised together and constructed so substantially that it was a curio to the modern builders at work on its successor.

The new house will be rented to the foreman of construction on the new hospital building at the Home for Delinquent Women.

## There is a Local Advantage

IN HAVING AN ACCOUNT IN THIS INSTITUTION. Our officers are men who have been identified with the progress of Sonoma Valley for more than a generation. They have won the confidence of all as conservative bankers whose first thought is of safety of funds intrusted to their care, and whose every other thought is of service in the interests of Sonoma Valley.

These reasons constitute an exceptional local advantage when you carry your account here.

Mrs. Murphy of Oakland has been up on a visit to her mother, Mrs. M. E. Brown and her sister, Mrs. Bridges.

Dave Volquardson has been boring a well this week for Mr. and Mrs. Wald, formerly of Chicago, who lately purchased 10 acres west of town.

Griff Shaller, one time idol of the Frisco team, has been enjoying a vacation at Boyes Springs, where he is an interested spectator at all Seal contests.

Mr. and Mrs. Fred Mazouie of San Francisco have a second little daughter. Grandpa Froment says mother and babe are doing nicely.

Al Kerner, who was seriously ill and threatened with pneumonia, is now on the road to recovery.

Mr. and Mrs. Mennitz have rented one of the Shoken cottages. Mennitz is superintendent of construction of the new high school building.

Mrs. J. Steiner of the Union Hotel is suffering with a severe attack of the gripe.

NOTICE TO BIDDERS  
(Sale of school property)

Notice is hereby given that sealed bids will be received up to and opened at 1:00 o'clock P. M. on the third day of April, 1922, at the Sonoma Valley Union High School Building, Sonoma, California, for the sale and transfer of the following school properties:

First—A plastered, two-story building, approximately 50 feet by 70 feet in dimensions, together with a two-acre site, more or less, both situated at the North-East corner of Broadway and Germany Streets. No bid less than \$5000 will be considered.

Second—A site consisting of four and fifty-two hundredths acres of land situated on the North-West corner of Germany Street and First Street West. No bid less than \$1300 will be considered.

Separate bids will be received for each of the above properties offered for sale, the Board of Trustees reserving the right to reject any and all bids.

The sealed bids must be accompanied by a certified check of five per cent of the amount of the bid, made payable to Dr. W. B. Hays, clerk of the Board, and to be certified to by some responsible banking institution.

The sealed bids should be mailed or delivered to Dr. W. B. Hays, Sonoma, California.

George H. Cassidy, President.  
Dr. W. B. Hays, Secretary  
Frederick Helberg,  
Thomas Johnson,  
L. M. Bish.

## CERTIFICATE OF DOING BUSINESS UNDER FICTITIOUS NAME

Sonoma, Cal., Feb. 8, 1922.

Know All Men by these Presents: That the undersigned have associated themselves together for the purpose of conducting business at El Verano in Sonoma County, California under a name not disclosing the names of the partners, and hereby certify as follows:

That the name under which business is to be conducted is Sonoma Gravel Company.

That the names of the partners with their addresses, is as follows:

R. L. Spore, 216 Monterey Street, Vallejo, California; and

C. M. Greene, El Verano, California.

That the place where said business is to be conducted is at El Verano, Sonoma County, California.

In witness whereof the parties hereto have executed these presents this, the eighth day of February, one thousand, nine hundred and twenty-two.

R. L. SPORE,  
C. M. GREENE.

State of California, County of Sonoma, ss.

On this 8th day of February in the year one thousand nine hundred and twenty-two before me, W. W. Carter, a Notary Public in and for the County of Sonoma, residing therein, duly commissioned and sworn, personally appeared R. L. Spore and C. M. Greene, known to me to be the persons whose names are subscribed to the within instrument, and they duly acknowledged to me that they executed the same.

In witness whereof, I have hereunto set my hand and affixed my Official Seal, at my office in the County of Sonoma, the day and year in this certificate first above written.

W. W. CARTER,  
Notary Public.

In and for the County of Sonoma, State of California.

Battery Service  
New Location at Ye Electric Shop  
MAC DRY BATTERY

The guaranteed for three years Mac Dry Battery is of the jelly type, giving off no moisture and having no water and acid to overflow and corrode your battery and connections. Also the Mac Dry Battery uses no separators which does away with the internal resistance which is so detrimental to a battery.

CARL DRESEL,  
Secretary Sonoma District.

## NOTICE OF COMMISSIONER'S SALE OF REAL ESTATE

In the Superior Court of the State of California. In and for the County of Sonoma.

P. H. McEVROY, Plaintiff, vs. A. F. DAILEY, also known as A. F. DAILY and MATHILDE DAILEY, also known as MATHILDE DAILY, his wife; W. C. WILSON, and ELIZABETH L. WILSON, his wife; LEWIS THEILACKER, and MARIE THEILACKER, his wife; JOHN DOE, RICHARD ROE, SARAH BLACK and JOHN WHITE, Defendants.

Under and by virtue of a judgment and decree of foreclosure and an execution and order of sale issued out of the Superior Court of the State of California, in and for the County of Sonoma, on the 15th day of February, 1922, in the above entitled action,

wherein the said plaintiff obtained a judgment and decree of foreclosure against the said defendants A. F. Dailey, also known as A. F. Daily, and Mathilde Dailey, also known as Mathilde Daily, his wife, for the sum of \$8339.68 on the 20th day of January, 1922, which said judgment was duly entered in the records of this court on Jan. 21, 1922, I am commanded to sell at public auction all that certain lot, piece or parcel of land, situate, lying and being in the County of Sonoma, State of California, and bounded and described as follows, to-wit:

That portion of Lot No. 390 in the Town and County of Sonoma, State of California, which is described as follows, viz:

Commencing at a point where the Agua Caliente Creek intersects the westerly line of the road leading from Sonoma to Santa Rosa, thence south 10 1/2 degrees east along said road 49.65 chains; thence south 80 1/2 degrees west 12.11 chains along the northerly line of Maxwell's land; thence north 10 1/2 degrees west along the east line of Walton's land 14.39 chains; thence north 62 1/2 degrees

west 3.22 chains to the west bank of the Agua Caliente Creek; thence northeasterly along the meanderings of said Creek and on the westerly bank thereof, to the place of beginning. Excepting therefrom the town site of Verano, and containing 27.44 acres.

Notice is hereby given that on Saturday, the 11th day of March, 1922, at the hour of 11:30 a. m. on the front (Fourth street) steps of the County Court House in the City of Santa Rosa, County of Sonoma, State of California, I will, in obedience to said judgment and decree of foreclosure and execution and order of sale, sell at public auction the above described property or so much thereof as may be necessary to satisfy said judgment together with interest thereon and costs and expenses of sale, to the highest and best bidder for cash.

Dated February 15, 1922.

A. M. JOHNSON,  
Commissioner.

## NOTICE TO CREDITORS

Estate of August Schwickhardt (sometimes also known as August Schwickhardt), Deceased.

Notice is hereby given by the undersigned administrator of the estate of August Schwickhardt, sometimes also known as August Schwickhardt, deceased, to the creditors of, and all persons having claims against the said deceased, to file them with the necessary vouchers within ten months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of Sonoma, or to exhibit them with the necessary vouchers within ten months after the first publication of this notice, to the said Administrator, at the office of Fred S. Howell, Esquire, Mutual Relief Building, corner Western Avenue and Kentucky Street, Petaluma, Sonoma County, State of California, the same being the place for the transaction of the business of said estate in the County of Sonoma, State of California.

FRANK H. PHILLIPS,  
Administrator of the estate of August Schwickhardt, Deceased.

Dated at Petaluma, California, Feb. 10, 1922.

FRED S. HOWELL,  
Attorney for Administrator.  
Date of first publication February 18, 1922.
